Bowls Parties Conditions of Play

- For the enjoyment of your group and to help maintain our bowling greens in excellent condition, we require you and your group to abide by the following:
- Bookings - are essential and must be confirmed by Sylvania Bowling Club. A booking form is to be filled out and returned to Sylvania Bowling Club with a \$50 deposit.
- Dress Regulations - on the greens casual clothing and flat, smooth soled shoes or bare feet are acceptable. Males are requested to have sleeved shirts (no singlets). Upon entering the club, all hats are to be removed and shoes are to be worn. The club dress rules must be observed at all times.
- Age - minimum age for participants is 15. Children under this age are not permitted on the greens. All children must be supervised by an adult at all times and are not allowed in the gaming or bar areas of the club.
- Drinks - we are happy for you to have drinks outside, although drinks are not allowed on the greens. Enjoy your drinks on the banks.
- Don't sit in the ditches - great care is taken to ensure the edges of the green are square and level. Please be careful of edges when stepping off and on the green. Don't play, step or stand in the sand surrounding the greens.
- Don't drop the bowls - bowls are heavy and care needs to be taken to ensure there is no personal injury or damage to the green.
- No driving - fast bowls are not permitted as these can cause injury and damage to the green and individuals.
- Respect the green - a lot of time, effort and money goes into the preparation and maintenance of the greens to keep them in excellent condition. So please take care and respect the rules.
- Respect the neighbors - please keep noise down to a reasonable level as we have a number of residential houses nearby. Foul language will not be tolerated.
- Equipment - please take care with all equipment as this is the property of Sylvania Bowling Club. Any missing or damaged equipment will be the liability of the host of the party. Please ensure the BBQ is cleaned after use.
- *A warning will be given for infringement of these rules. Further infringements may result in termination of bowls for the offending rink or cancellation of the whole party, at the discretion of the bowls supervisor.*
